Elwood UFSD Wall of Fame

Dr. Kenneth Bossert, Superintendent of Schools, introduced the Wall of Fame in 2018 as a way to honor former students, faculty members and district volunteers for extraordinary achievements in academics, school and community service, public service, fine arts, business and athletics. To be selected, individuals must be nominated by a school subcommittee or the community at large.

Committees are comprised of members of the administration, faculty, students, PTA and the PTSA.
